## Proposed Bylaw Changes

**Paul Clark, President**

The San Antonio Chapter of the ENA (SAENA) has been operating under bylaws approved in 1992. These bylaws have not been revised since then, despite changes made to the bylaws of the Texas ENA. To enable the chapter to operate in compliance with State and National bylaws, a new set of bylaws was developed this year by the officers of the SAENA. According to the bylaws of 1992, any changes must be submitted to the members for 60 days to review. We have placed these changes in a file on our website [www.SanAntonioENA.org](http://www.SanAntonioENA.org). Please click on the link and review the proposed changes (in red, with text that is being replaced noted by a line through it). If you have any comments or suggestions, please email me, [FriarLopez@satx.rr.com](mailto:FriarLopez@satx.rr.com). Thanks!
