Reaching Out to Each Other

Peggy Dubuque, RN - President-Elect

The Emergency Nurses Association is for us, all emergency nurses. Particularly, the San Antonio Emergency Nurses Association is for us, the emergency nurses in the San Antonio area. This is a large area including Bexar and 20 surrounding counties. This is an area reaching to Langtry on the west, Carrizo Springs on the south, Cuero on the east and Mountain Home on the north. Doing a quick search, I found over 40 hospitals, with emergency facilities, in this area. Because it is impossible to find one location good for everyone, we are attempting to move the meetings around in our area. If you are in an area outside of San Antonio, and are interested in hosting a meeting at your facility, please contact an officer or board member and let us know. Our emails and phone numbers are on the back page of each newsletter. One of our San Antonio Chapter goals, is to help ENA reach all emergency nurses and help each one become involved.
