Course Description:
The Emergency Nursing Pediatric Course (ENPC) was developed by the National Emergency Nurses Association. This course is designed to improve the care of the pediatric patient in all settings and increase the skill and confidence of nurses who care for children. Lectures and skill stations are used to increase the cognitive and technical skills necessary for basic care of the pediatric patient. The course goes beyond trauma and resuscitation to include such subjects as: triage, shock, respiratory and medical emergencies, crisis, maltreatment, neonatal overview and behavioral emergencies. Verification of successful course completion is obtained by passing both a written exam and psychomotor skill stations, and is valid for four years.

Target Audience:
Registered Nurses who desire to increase their knowledge base and skill level in caring for pediatric patients. Licensed Vocational Nurses and Paramedics are welcome to take the course, but are not able to be verified through testing; registration fees and continuing education hours are adjusted accordingly.

Registration:
Advanced registration is required and is limited to the first 32 paid applicants. Registration will not be accepted on-site. Registration will not be accepted unless accompanied by payment in full. The registration covers the ENPC provider manual, continuing education certificate, and continental breakfast/snacks. Registration will be handled on a first come, first served basis. Please confirm your place as soon as possible! Once your registration and fee is received, you will receive an e-mail with confirmation. If your institution provides partial payment of the course fee, a personal check for the balance must accompany the registration. Partial payments will not be accepted.

Cost:
$250 for ENA Members $275 for Non-ENA Members
LVN $225 Paramedic $225

Registration: Due 4 weeks before the first day of the course. Registration Deadline: Oct 8, 2016

Cancellations:
Refund of registration fee will be issued if written cancellation notification is received no later than 4 weeks before the first day of course. No refunds will be issued after that date or for non-attendance.

Course Location: Methodist Stone Oak Hospital in San Antonio. Signs will direct you to the classroom.

Parking: Anywhere in front of the hospital—no charge Schedule: Saturday – 7:15 am to 7:30 pm
Sunday – 7:30 am to 3:00 pm

Continuing Education Credit:
The Emergency Nurses Association is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation. RN participants receive 15.58 CECH (type I), regardless of their testing performance. LVN and Paramedic participants receive 12.0 CECH.
