‘Older Adult / Geriatric Care: A Special Population’

Presented by: Yvonne Moseley, MSN, RN, CEN

AUGUST 14, 2019 WEBINAR

0800 – 1000 (CST)

Can be completed at home or work!

This 2 hour course fulfills the Texas Board of Nursing’s Older Adult or Geriatric Care Requirement for LVN or RN for 1 licensure cycle:

Per the Texas Board of Nursing:

Sec. 301.307. Continuing Education in Older Adult or Geriatric Care. (a) As part of a continuing competency program under Section 301.303, a license holder whose practice includes older adult or geriatric populations shall complete at least two hours of continuing education relating to older adult or geriatric populations or maintain certification in an area of practice relating to older adult or geriatric populations.

...Any LVN, RN, or APRN whose practice includes the older adult or geriatric population is required to complete at least two contact hours in every licensure cycle beginning on or after January 1, 2014 [Board Rule 216.3(h)].

Learner Objectives:

The learner will have increased knowledge regarding the physiologic changes in older adults that contribute to disease processes, chronic conditions and memory loss; adaptation of care for this special population including injury prevention, and identification of elder abuse and reporting requirements.
